# DRIVE WITH THE SUN, NOT THE GRID.

India's First Solar Integrated EV Charger

# Why pay for power when the sun's got your back?

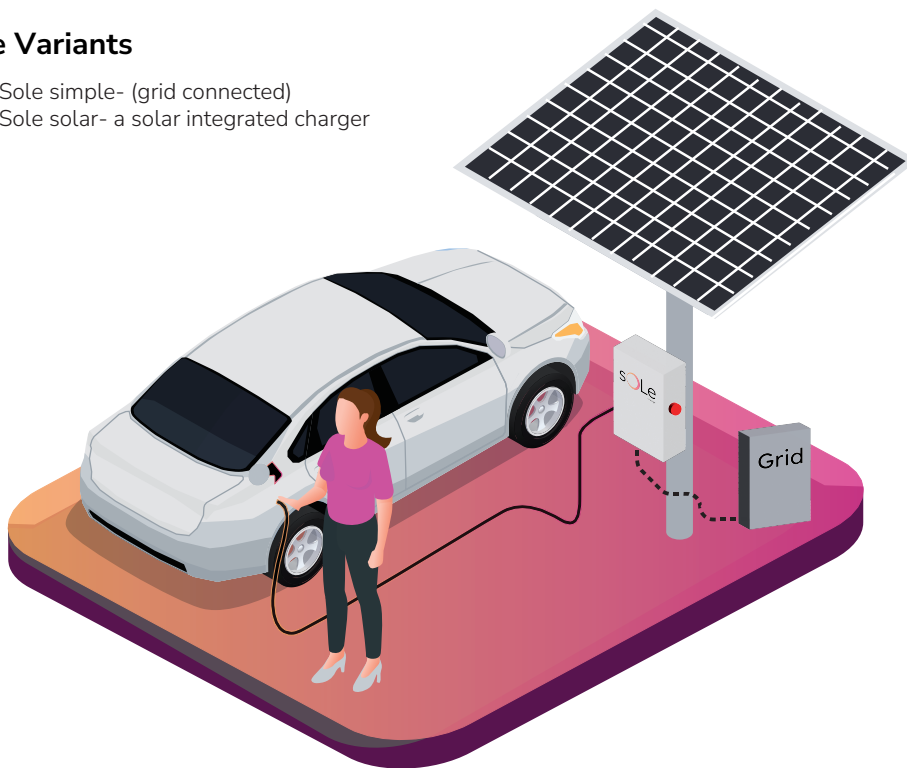

The SOLe EV charger automatically uses available solar energy for EV charging. It's not just eco-friendly; it's wallet-friendly too!

With easy installation and seamless integration, the SOLe Charger transforms your vehicle into a sustainable powerhouse.

Say goodbye to grid dependency and hello to a brighter, greener future with SOLe Charger!

## Sole Variants
